## HOW CAN I SAFELY TRANSPORT THESE HAZARDOUS MATERIALS???

Leave material in original containers.  
Tighten caps and lids.  
Sort and pack separately:  
    oil paint, pesticides and household  
    cleaners  
Pack containers in sturdy upright  
    boxes and pad with newspaper.  
NEVER MIX CHEMICALS  
Pack your car and drive directly to the  
site.  
NEVER SMOKE while handling  
hazardous material

**NOTES:**

1. **Shaftsbury residents may dispose of rechargable batteries at the Transfer Station whenever it is open.**  
**On hazardous waste days Pownal and Stamford residents may use the Shaftsbury disposal system.**  
(Rechargable batteries are recycled through a free service provided by the [Rechargable Battery Recycling Corporation](#), and are therefore not accepted as hazardous waste.)
  2. Latex paint is not hazardous waste. To dispose of latex paiint, mix it with kitty litter, let it dry, and dispose of it as normal trash.
  3. Shaftsbury residents may dispose of up to five gallons of motor oil per week. Only non-commercial use of this service is allowed.
